

IAC Non-Discrimination Policy

IAC programs and projects are available on a limited basis and only to eligible participants. Availability is subject to constraints of timing, funding and requirements specific to each program or project. IAC reserves the sole and exclusive right to determine eligibility for participation in any of its programs and projects. It also reserves the sole and exclusive right to determine whether timing, funding constraints or requirements specific to a particular program or project will limit or preclude availability.

IAC does not discriminate in any of its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)

Persons with disabilities who require alternative means for communication of program information (braille, large print, audiofile, etc.) should contact IAC at (406) 259-3525. You can also email info@indianag.org
